**ARTICLE 1: PURPOSE** TA 12/14/06

These articles constitute an Agreement, the terms of which have been negotiated in good faith by representatives of King County and International Federation of Professional and Technical Engineers, Local 17 (AFL-CIO).

The intent and purpose of this Agreement is to promote the continued improvement of the relationship between King County (hereinafter called the County) and the employees represented by International Federation of Professional and Technical Engineers, Local 17 (hereinafter called the Union) by providing a uniform basis for implementing the right of public employees to join organizations of their own choosing and to be represented by such organizations in matters concerning their employment relations with the County, and to set forth the wages, hours and other working conditions of the bargaining unit employees, provided the County has authority to act on such matters.

**ARTICLE 2: UNION RECOGNITION AND MEMBERSHIP TA 10/23/07**

**Section 1.** The County recognizes the Union as the exclusive collective bargaining representative of all full-time and part-time regular [TA 4/19/07] employees whose job classifications are listed in the attached Addendum A and made a part hereof by this reference.

**Section 2.** It shall be a condition of employment that all employees covered by this agreement who are members of the Union in good standing on the effective date of this agreement shall remain members in good standing and those who are not members on the effective date of this agreement shall, on the thirtieth day following the effective date of this agreement, become and remain members in good standing in the Union, or pay fees to the Union to the extent permitted by law. It shall also be a condition of employment that all employees covered by this agreement and hired or assigned into the bargaining unit on or after its effective date shall, on the thirtieth day following the beginning of such employment, become and remain members in good standing in the Union, or pay fees to the Union to the extent permitted by law.

Provided, however, that nothing contained in this section shall require an employee to join said Union who can substantiate in accordance with case law bona fide religious tenets or teachings that prohibit the payment of dues or initiation fees to Union organizations. Such employee shall pay an amount of money equivalent to regular union dues and initiation fee; said amounts shall be paid to a non-religious charity or to another charitable organization mutually agreed upon by the employee affected and the bargaining representative to which such public employee would otherwise pay the dues and initiation fee. The employee shall furnish proof to the Union each month that such payment has been made.

**Section 3.** The County shall not contract out work which the members of the Union have historically performed unless it is required by law or is a business necessity due to an emergency situation or to augment the work-force on a temporary, short-term basis of six months or less. Except for emergency situations, the County shall provide notice to the union of its intent to contract out and, upon request, bargain the decision and/or effects of that decision. Except as provided herein, under no circumstances shall the County agree to any long-term or permanent contracting out of bargaining unit work. Nothing in this provision shall limit what the County has historically contracted out, and no jobs will be eliminated due to contracting out.

**Section 2. Classification Specifications.** The County shall furnish the Union with specific classification specifications for classifications in the bargaining unit descriptive of the function, scope and complexity of the position and the knowledge, abilities and qualifications for the position. The County and the Union shall meet to review proposed modifications and revisions to said specifications and will negotiate impacts prior to implementation.

**Section 3: Clothing and Safety Equipment.** The County will continue to provide all articles of clothing and equipment required for safety and/or identification, according to current practice.

**Section 4. Training Programs Release Time.** The County may provide employees with release time to attend training programs that will be beneficial to their job performance. Notice of all such training opportunities which management deems appropriate will be made available to all employees in writing. If the County requires attendance at such training programs, the County will pay the expenses incurred.

**Section 5. Bus Passes.** The County will provide all regular employees with bus passes at no cost in accordance with current practice and County ordinance. Further, any member of the bargaining unit who was entitled to a retiree bus pass prior to the January 1, 1996 merger with King County shall continue to be eligible for a retiree bus pass.

**Section 7. Reclassification.** Requests for reclassification may be made because an employee has been working in an out of class assignment for twelve (12) months or longer, or because there is a significant change in an employee’s duties and responsibilities for a period of twelve (12) months or longer. If the Human Resources Division of the Department of Executive Services determines that an employee should be reclassified, the reclassification will be effective the date the final PDQ was submitted to the employee’s supervisor. If the Human Resources Division of the Department of Executive Services determines that a reclassification is not appropriate, the Union may request a hearing with a mutually agreed upon mediator/arbitrator as provided through the King County Alternative Dispute Program within thirty (30) calendar days from the date the employee was notified that a reclassification would not take place.

The parties are agreed that the mediator/arbitrator’s role in this hearing will be to consider testimonial and documentary evidence presented by the County and the Union regarding the employee’s appropriate job classification. *Section 1 Just Cause.* The County may discipline an employee for just cause. **ARTICLE 13: PERFORMANCE APPRAISALS & PERFORMANCE IMPROVEMENT**

**PLAN TA 4/19/07**

Each career service employee will receive regular performance evaluations. When an employee’s supervisor believes the career service employee’s performance is unsatisfactory, the supervisor will document the specific performance deficiencies with a written performance appraisal. This employee may request that this performance appraisal be reviewed by the next higher level of supervision. Upon receipt of an unsatisfactory performance appraisal and, if requested, the completion of a higher level review which confirms the unsatisfactory performance appraisal, the employee will be placed on a Performance Improvement Plan. The Performance Improvement Plan will be reviewed by Transit Human Resources and will include the following:

- Opportunity for the employee to be involved in the development of the Performance Improvement Plan
- Description of the employee’s specific performance deficiencies
- Specific performance objectives
- Listing of resources available to the employee, as appropriate
- Specified duration that provides sufficient time for the employee to make the required improvements
- Regular review of the employee’s performance with written evaluation to the employee indicating his/her progress in meeting the specific performance objectives.

The act of placing an employee on a Performance Improvement Plan is not a grievable action.

While on a Performance Improvement Plan, an employee will not receive any scheduled salary step increases. If the employee successfully completes the Performance Improvement Plan, the employee will then receive the delayed salary step increase. Delayed receipt of a salary step increase will not impact future scheduled salary step increases.

When an employee is unable to satisfactorily perform the specific performance objectives of his/her Performance Improvement Plan, the supervisor may extend the period of the Performance Improvement Plan if the supervisor determines that the employee may be able to make the required improvements if given more time.

**ARTICLE 14: DISPUTE RESOLUTION PROCEDURES TA 4/19/07**

**Section 1. Grievance/Arbitration/Mediation.** The County recognizes the importance and desirability of settling grievances promptly and fairly in the interest of continued good employee relations and morale. Employees will be unimpeded and free from restraint, interference, coercion, discrimination or reprisal in seeking adjudication of their grievances, and every effort will be made to settle grievances at the lowest possible level of supervision. To this end, the following procedure will be followed.

Each and every provision of this collective bargaining agreement is enforceable through these Dispute Resolution Procedures. Remedies may include a specific action or any other equitable remedy agreed to by the parties or as imposed by an arbitrator pursuant to this agreement. [TA 4/15/08]

**A. Definition.**

Grievance - An issue raised by an employee relating to interpretation of his/her rights, benefits, or conditions of employment as contained in this Agreement. Probationary employees shall not have the right to pursue grievances over terminations of employment but shall be able to pursue grievances as otherwise provided in this Section. The express language of the collective bargaining agreement is controlling. This does not preclude either party from submitting County policies or procedures as collaborating evidence in a grievance. **B. Procedure.**

**Step 1.** A grievance shall be verbally presented by the aggrieved employee and his/her representative, if the employee wishes, within fifteen (15) working days of the date when the employee could reasonably be expected to know of the basis for a grievance, to the employee's supervisor. The supervisor shall gain all relevant facts and shall attempt to adjust the matter and notify the employee within ten (10) working days. If a grievance is not presented in writing to the next level within ten (10) working days, it shall be presumed resolved.

the Section Manager within ten (10) workdays as stated above for investigation, discussion, and written reply. The Section Manager shall make his/her written decision available to the aggrieved employee within ten (10) working days. If the grievance is not pursued to the next higher level within the following ten (10) working days, it shall be presumed resolved.

**Step 3.** If after thorough evaluation, the decision of the Section Manager has not resolved the grievance to the satisfaction of the employee, the grievance may be presented to the Division Manager. All letters, memoranda and other written materials previously submitted to lower levels of supervision shall be made available for the review and consideration of the Division Manager/designee. He/she may interview the employee and/or his/her representative and receive any additional related evidence that he/she may deem pertinent to the grievance. He/she shall make his/her written decision available within fifteen (15) working days. If the matter is not resolved and the Union wishes to pursue the matter further, the Union must file a request for arbitration with both the Human Resources Division of the Department of Executive Services and Transit Human Resources within 30 calendar days following receipt of the Division Manager/designee written response. If the grievance is not pursued to arbitration within thirty (30) working days, it shall be presumed resolved.

**Step 4.** If Arbitration has been timely requested, the parties may with mutual consent attempt Grievance Mediation. The process will use a mutually acceptable mediator and conclude within thirty (30) days after the mutual request.

Should arbitration be necessary either after an attempt to mediate the dispute or directly after Step Three, the Parties shall select a third disinterested party to serve as an arbitrator. In the event that the parties are unable to agree upon an arbitrator, then the arbitrator shall be selected from a panel of five arbitrators furnished by the American Arbitration Association or the Federal Mediation and Conciliation Service, whichever source is mutually acceptable. The arbitrator will be selected from the list by both the County representative and the Union, each alternately striking a name from the list until only one name remains. The party to strike first shall be determined by a coin toss. The arbitrator under voluntary labor arbitration rules of the Association shall be asked to render a decision promptly and the decision of the arbitrator shall be final and binding on both parties. The arbitrator shall have no power to change, alter, detract from or add to the provisions of this Agreement, but shall have the power only to apply and interpret the provisions of this Agreement in reaching a decision.

The arbitrator's fee and expenses and any court reporter's fee and expenses shall be borne equally by both parties. Each party is responsible for its respective representational fees and expenses, regardless of the outcome of the hearing.

No matter may be arbitrated which the County by law has no authority over, has no authority to change, or has been delegated to any civil service commission or personnel board as defined in Chapter 108, Extraordinary Session, 1967, Laws of the State of Washington.

There shall be no strikes, cessation of work or lockout during arbitration.

C. Time Limits. Time limits may be extended upon written consent of the parties.

**Section 2. Alternate Dispute Resolution Procedures.**

A. Unfair Labor Practice. The parties agree that thirty (30) days prior to filing a ULP complaint with PERC, the complaining party will notify the other party, in writing, meet, and make a good faith attempt to resolve the concerns unless the deadline for filing with PERC would otherwise pass or the complaining party is seeking a temporary restraining order as relief for the alleged Unfair Labor Practice.

B. Grievance. After a grievance is initially filed, the following Alternative Dispute Resolution (ADR) process may be followed, with mutual consent. This process will not exceed ten (10) days:

1. A meeting will be arranged by the Union representative and County representative (or their designees) to attempt to resolve the matter.
2. (a) The meeting will include a mediator and the affected parties.  
(b) The parties may mutually agree to other participants such as union and management representatives or subject matters experts.
3. The parties will meet at mutually agreeable times to attempt to resolve the matter.

- 4. If the matter is resolved, the grievance will be withdrawn.
- 5. If the matter is not resolved, the grievance will continue through the grievance process.
- 6. The moving party can initiate the next step in the grievance process at the appropriate time, irrespective of this process.
- 7. Offers to settle and aspects of settlement discussions will not be used as evidence or referred to if the grievance is not resolved by this process.

This Section does not supersede or preclude any use of grievance mediation later in the grievance process.

Section 3. Non-Contractual Dispute Resolution and Mediation. The intent of this section is to provide employees and supervisors with a dispute resolution process for issues for which the grievance and arbitration processes do not apply. An employee who has a non-contractual dispute is encouraged to exercise his/her rights to pursue dispute resolution and, if mutually agreed to, use mediation to resolve the dispute.

To initiate this process, the employee will request a dispute resolution meeting with his/her immediate supervisor. The employee and his/her supervisor will then meet in an attempt to resolve the dispute. The supervisor may provide the employee with a written summary of the meeting and outcome.

If the dispute remains unresolved, the employee and supervisor may mutually request mediation. The request for mediation will be made, in writing, to Transit Human Resources. Mediation will use the King County ADR Program and will be concluded, if practicable, within 30 days of the request for mediation.

**ARTICLE 20: REDUCTION IN FORCE [TA 10/23/07]**

**Section 1: Layoff Process.**

1. When a reduction in force is anticipated for career service positions, the County and Union will meet and jointly endeavor to find ways to minimize or eliminate the actual reduction of positions. The County and the Union will jointly endeavor to find ways to minimize or eliminate the number of employees who must be laid off (for example: reassign employees to vacant positions, locate temporary placement in other departments, encourage leaves of absence, or allow job-sharing, etc.)

2. When the elimination of a career service position will result in an employee being laid off, the employee will be selected by inverse seniority within the layoff group, as defined below.

Section 2: Seniority. . For the Administrative Support Bargaining Unit, seniority shall be defined as: the start date in classification within the layoff group. Part time hours will be pro-rated. In the event of a layoff, seniority shall be calculated by the Union.

Seniority within the Rideshare Bargaining Unit shall be defined as: total service within the classification/position. County service will be considered when the time in classification/position is equal. Seniority will be adjusted for all time in excess of thirty continuous days when not in pay status. In the event of a layoff within the Rideshare Bargaining Unit, seniority shall be calculated by the Union.

Time worked as a King County temporary, in an Administrative Support or Rideshare bargaining unit classification, shall be counted, provided there is no break in service, as determined by the union. Seniority will be adjusted for all time in excess of thirty continuous days, when not in pay status.

C. Layoff Groups. Layoff groups are defined as follows:

- Operations Training
- Service Communication
- Service Quality
- Operations Bases and Management office

**Section 4: Notice.** When elimination of a position will result in an employee being laid off, the County will provide written notice to the Union and the affected employee at least 90 calendar days prior to the effective date of the layoff.

**Section 5: Recall**

1. A career service employee who is laid off will have general recall rights to other vacant County positions, for a period of two years following the employee's layoff. In addition, the employee will retain specific recall rights to the position from which he/she was laid off from for an additional one-year period following the end of the two-year general recall period. During the three-year specific recall period, the employee will retain specific recall rights to the position from which he/she was laid off regardless of whether the employee has accepted a different position within the County.

3. When the County is filling a bargaining unit position and there are laid-off employees who have held such positions within the previous five years, the position will be offered to such employees. If there is more than one employee in such a situation, the hiring authority will decide which employee will be offered the position.

4. When a laid off employee applies for, or is referred to, a bargaining unit position and such employee is unsuccessful in obtaining the position, the employee will be provided with the rationale for his or her own non-selection, interview and test scores, and other documentation used to make the determination.

5. An employee who is recalled from layoff will have all unpaid sick leave balances restored.
